

Quicken for Mac Conversion Instructions

Quicken for Mac 2006/2007

Web Connect

Introduction

As American Business Bank completes its online banking system upgrade, you will need to modify your Quicken settings to ensure the smooth transition of your data. To complete these instructions, you will need your User ID and Password for the American Business Bank online banking website.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

NOTE: This update is Time Sensitive and can be completed on or after Monday, September 21, 2015.

Documentation and Procedures

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu > **Search**. Search for **Backing Up**, select “**Backing Up Your Data**,” and follow the instructions.
2. Download the latest Quicken Update. For instructions to download an update, choose **Help** menu > **Search**. Search for **Updates**, select “**Checking for Updates to Quicken**,” and follow the instructions.

Task 2: Deactivate Your Account(s) at American Business Bank **on or after Monday, September 21**

1. Choose **Lists** menu > **Accounts**.
2. Select the account that you want to disable and click **Edit**.
3. In the **Download Transactions** drop-down list, select **Not Enabled**. Follow the prompts to confirm the deactivation.

4. Remove the information within the **Account Number** and **Routing Number** fields.
5. Click **OK** to save your edits.
6. Repeat steps 2 – 5 for each account at American Business Bank.
7. Verify that your account list does not display a blue online circle icon for any accounts at American Business Bank.

Task 3: Re-activate Your Account(s) at American Business Bank **on or after Monday, September 21**

1. Log in to American Business Bank and download your Quicken Web Connect file.
2. Import your transactions to Quicken.

IMPORTANT: Take note of the date you last had a successful connection. If you have overlapping dates in the web-connect process, you may end up with duplicate transactions.

3. Ensure you associate the account to the appropriate account already listed in Quicken. Click the **Use an existing account** radio button.
4. Select the corresponding existing Quicken account in the drop-down list and click **OK**.
5. Repeat steps 3-4 for all accounts at American Business Bank.
6. Choose **Lists** menu > Accounts. Verify that each account at American Business Bank has a blue online circle indicating that it has been reactivated for online services.

Thank you for making these important changes!
